BUY COLUMBUS CONSOLIDATED The officers elected by Auburn coun-GOLD MINING COMPANY'S cit No. 207, Knights of Columbus, last STOCK of LEAD, SOUTH DAKOTA angreener share. The Homestake Company's stock started at about from per share, advanced to free, or per share, and has been paring dividends steadily for the past 20 years. The Columbus Company's December were statalled last night with appropriate ceremonies by Disproperty anjoins the Homestake, and has the extension of its ore bodies. Sixty men are now employed and a small trict Deputy Supreme Knight Eugene mushing or additional banks. Refeasion way this stock should not show profits similar to those of the Homestake. I believe this is the greatest apportunity ever offered to the public in the way of a mining share, and advise the immediate purchased the stock, as the price off shortly be advanced. The Black Hills region, with proper development, will undoubted by equal or exceed the famous Rand district of South Africa, which is the greatest gold-producing section in the world at the present time. People who are familiar with the Black Hills and the Rand declare in favor of the former. This is the entiting gold cannot be family and the former of the world. Tremendous Black Hills and the Rand declare in favor of the former. If his is the coming gold camp of the world. Tremendous one bodies have been developed in the Columbus property, that prove beyond all doubt the value of the ground. All that is needed to put the company on a dividend paying basis is the efection of large mids for the treatment of the ore. • I actived the purchase of Hidden Fortune Stock at 5 % per share; some is now selling at \$1.25 per share, and will shortly advance to \$4.00. I still advise the purchase of the latter stock, as it is refine much bioler. • Write for fat this fatter stock, as it is going much higher, " w particulars on critical the above propositions.
